Areas of interest (please check all that apply):

- Adoption Days – volunteers are needed to set up and/or take down cages. We also need adoption counselors, cat socializers and special promotion volunteers.
- Foster Care – provide temporary housing for kitties waiting to be adopted. We need homes for healthy animals that just need a temporary place to stay where they will be cared for and loved, as well as special needs kitties (such as sick or injured animals or neo-natal kittens that need to be bottle-fed). Foster parents may choose to foster only healthy, ready-to-adopt kitties or may choose to be trained to care for special needs kitties.

- Newsletters/Graphics – work with other volunteers in creating/publishing newsletters, brochures and flyers for special events.
- Transportation – transport kitties to/from veterinarians, foster homes and pet adoptions. Transporting pet food and other supplies from donation centers.
